ALPENGLÖ

LANE OLIVER, LANE ELISABETH OLIVER
Interior Design, Denver, (303) 722-4288, devised
a traditional alpine theme based on her collection
of Austrian egg ornaments. Balsa wood reindeer
mingle with vogue glass-beaded wreaths and a
mother-of-pearl encrusted mirror in this Rocky
Mountain-inspired vignette. Mirror from Grange,
Denver Design Center, (303) 777-1866.
